AMPLIFIED MUSIC AGREEMENT

The purpose of this agreement is to inform the DJ and/or band and the renter of the facility sound requirements. It is the renter's responsibility to ensure the DJ and/or band is aware of and agrees to the following terms:

- A. The Aromas Grange does not provide any audio or electronic equipment to rental event bands or DJs.
- B. Sound level is restricted to 80 decibels or less as measured at the street. Grange representatives will check volume levels during events. If event volume exceeds 80 decibels, a warning to decrease the volume will be issued to the renter. Failure to maintain event sound levels below 80 decibels may result in the termination of sound/music for the remainder of the event.
- C. A complaint from surrounding neighbors shall result in a warning to the renter to reduce event sound level.
- D. A second neighbor complaint may result in the termination of sound/music for the remainder of the event and/or loss of security deposit.
- E. Per county ordinance, all music must be terminated by 10:00 p.m.**

Failure to comply with the terms above may result in loss of security deposit.
